Muslim Hands Charity No. 1105056. qb/2006

Appeal for the **Forgotten Sufferers**

Alhamdulillah, your generous donations to needy projects totalled over £2.5 million for Ramadan 2005. Ramadan time is when many of our vital, long-term projects are funded for the coming year, however this year due to the terrible Asian earthquake (for which you have donated over £1.5 million), many needy projects have been overlooked by donors. Below we have selected a few of those 'forgotten projects' which now require your generosity if we are to maintain the good work that they do...

Palestine Water Aid: Agricultural aid (planting olive trees, digging wells etc.) is very important parts of MH work in Palestine, as agriculture is the main source of income for millions of needy Palestinians. Help MH continue **digging large water wells costing £2,500 each.**

We also need to continue providing university fees for 150 orphans and needy students of the Islamic University of Gaza. **The annual fees per student is only £350!**

Afghanistan Wheel Chairs: Since 1994, alongside educational aid and orphan care, MH has been providing support to the elderly and the disabled. Hundreds of elderly and disabled people have been waiting for months for their wheel chairs. **One wheel chair costs only £49.**

Ethiopia Primary School: The new MH Orphan Learning Centre, JigJiga - primary school for boys and girls is another much needed project that was awaiting donors in Ramadan. Although the land has been acquired and work is in progress, five classrooms, a staff room, toilets and security fences still need to be built. **£35,000 is needed for completion.**

Malawi Famine: Malawi has been drought stricken for many years now and is suffering a famine similar to that seen in Niger and Mali. Although there has been very little media coverage the suffering is immense. This is an urgent appeal for food and clean water. **We urgently need to feed 12000 needy people.**

China Medical Care: MH has been working with children suffering from cleft lip and palate in the impoverished northwestern China in the Lin Xia area since 2003. Over 80 children have already undergone corrective surgery, bringing vast improvement to their lives - but many more are still waiting our help. **One cleft lip correction surgery costs only £250.**
